THE MISSION OF THE TNF IS TO CREATE AN ENLIGHTENED UNIVERSAL ETHOS FOR PEOPLE TO LEAD BY, AND TO COUPLE THIS WITH THE RESEARCH, DEVELOPMENT, AND IMPLEMENTATION OF NEW SOCIAL AND INFRASTRUCTURAL SYSTEMS THAT CAN BE USED TO ALLEVIATE GLOBAL PROBLEMS AND PAVE THE WAY FOR A BRIGHTER FUTURE ON OUR PLANET.

WE BELIEVE THAT THE DEVELOPMENT OF A UNIVERSAL CULTURE OF INDIVIDUALITY, CRITICAL THINKING, AND REASON THROUGH LITERATURE AND OTHER MEDIA CAN SERVE AS A MORE ENLIGHTENED PARADIGM, AND THAT SUCH A CULTURE CAN BRING PEOPLE FROM AROUND THE WORLD TOGETHER UNDER THE COMMON CAUSE OF MAKING THE WORLD A MORE PEACEFUL, PROSPEROUS, AND ENLIGHTENED PLACE.

THE MORE TANGIBLE PART OF OUR MISSION WILL BE ACCOMPLISHED AS THE TNF DEVELOPS ITS BUSINESS AND DONOR NETWORK TO FUND PROJECTS SUCH AS LARGE-SCALE HYDROPONIC FARMING, PURCHASING LAND TO PROTECT ECOSYSTEMS, BUILDING SCHOOLS ORIENTED AROUND A HIGHER STANDARD OF LEARNING, DEVELOPING SIMPLER FORMS OF WATER DESALINATION AND TERTIARY WATER TREATMENT, SCIENTIFIC RESEARCH, ARTISTIC COMMISSIONS, AND FORMING SELF-SUSTAINABLE MODEL COMMUNITIES TO TEST OUT NEW SYSTEMS AND TO SERVE AS EXAMPLES FOR OTHER COMMUNITIES TO FOLLOW.
